iUniverse, United States, 2009. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.The time is tomorrow. A meteor storm has allowed monsters of every order to run free across the planet. Vampires, werewolves, ghosts, demons and other atrocities are the new bad guys on the block. To deal with this prevalent threat to Mankind, various law enforcement agencies have created special divisions to deal with the monster epidemic. LAPD has created Monster Vice - and its senior cop is Dick Pitts -- a veteran in monster extermination. On a daily basis, Dick Pitts stakes vampires, executes werewolves, and exorcises demons. When his partner is killed by a nest of vampires, he is assigned a new partner named Curadel -- who is in fact Dracula -- a greatly misunderstood Dracula through the ages and a Dracula who has become a cop to help humanity deal with the vampire plague on planet Earth. Now, Dick Pitts and Dracula must team up and fight a Grand Master - the most powerful vampire in the world - who is hell bent on transforming every child in Los Angeles into a bloodsucking killing machine. Pitts and Dracula create a special platoon of fang warriors -- their mission: to find the Grand Master and shut down his evil plans before the streets of LA are flooded in a sea of blood.
