Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What is the true definition of love from God's perspective? How can we obtain the highest form of love possible for our Father? How do we know if we are truly in love with God now? What does it mean that God is love? How is His love made manifest in our lives? Was God just as loving in the Old Testament and He is in the New Testament? Why does there seem to be a difference if God never changes? Josh Peck answers all of these questions and more in What Loving God Really Means. Learn how to fall in love with God and fulfill His commandment of loving Him more than anything else. Discover this true and personal love for yourself, in your own life, without need of an intermediary. Gain a more fulfilling and purposeful relationship with your Creator. This is must-have information for any child of God, any servant of Jesus Christ, and any partaker of His Holy Spirit. Through important, yet commonly glossed over, Biblical teachings, you will learn what true love from a true Father is and how to possess it for yourself. This book will teach you how to have a closer relationship with God, understand seemingly confusing inconsistencies between the Old and New Testaments, and even how to witness to others effectively. With the wealth of information contained in this short book, you will not be disappointed!.
