Brand New Book ***** Print on Demand *****.This book Building Our Own Home the Hard Way (With Five Beer Drinkers) is one of a thousand projects I designed and/or built in my 57 years as a designer/builder, professional project manager, and general superintendent. My first wife and I saved up enough money to build our retirement home in a Canadian resort in British Columbia. The only way we could build the house we wanted was to gather leftover materials from my large projects in Vancouver and Whistler. These included high rises and a timeshare hotel. He was in the carpenter s union, was a logger, and had three of his own custom home construction companies that built 104 large custom homes. He designed and built six palaces in Saudi Arabia, and has worked on hotels, restaurants, theaters, and mega mansions....
