Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

SELECTED LETTERS

DOWNLOAD

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Selected Letters, Jane Austen, 'Little Matters they are to be sure, but highly important.' Letter-writing was something of an addiction for young women of Jane Austen's time and social position, and Austen's letters have a freedom and familiarity that only intimate writing can convey. Wiser than her critics, who were disappointed that her correspondence dwelt on gossip and the minutiae of everyday living, Austen understood the importance of 'Little Matters', of the emotional and material details of individual lives shared with friends and family through the medium of the letter. Ironic, acerbic, always entertaining, Jane Austen's letters are a fascinating record not only of her own day-to-day existence, but of the pleasures and frustrations experienced by women of her social class which are so central to her novels. Vivien Jones's selection includes very nearly two-thirds of Austen's surviving correspondence, and her lively introduction and notes set the novelist's most private writings in their wider cultural context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
