Cultural Heritage of Ancient India

By S. K. Maity

Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 133pp. India has a long continuous history extending over five thousand years. Besides, it had a population which, with the sole exception of China, is the largest single aggregation of humanity in the whole course of world's history. It has also had a way of life and culture, no doubt modified continuously by outside contacts, but essentially Indian, based on doctrines and ideas developed indigenously. This way of life has found noble expression in classical and modern literature, in art and architecture, which display and unbounded creative energy and which have had a lasting influence on most Asian countries, in philosophies, religions and religious systems which continue to be vital forces even in the world today, when civilization is so extensive in space and time. Such a culture, ancient and persistent, and variously adopted in different times and classes, naturally develops complex forms of outward manifestation which baffle the superficial intellects looking for simple truths. To say that Hinduism has for centuries been the mainstay of Indian culture is hardly enough to explain its roots, since Hinduism itself is nothing short of multiverse, with a mind-boggling range of philosophical systems, religious...
