To avoid adding a number of new elements, this u medial is represented by a short straight line written at right angles to the beginning of the initial symbol, as shown in the fifteen initials under u medial of the list. Three exceptions are also to be noted: -- eh of yeh is written like ieh final; en of yen is written like ien final; rh of irh is wruteu like ih final. A list of eleven complete words has also been printed below, though they have been previously given as initials or finals simply. A word as to reading and writing the system. As a mnemonic aid to the foreign learner, the English equivalents for each symbol have, in most cases, been so written as to imiiate the symbol in some part; e.g., the first stroke in l and t, and the last siroke of p and eng resemble their respective symbols. The initial and fial sounds of each word are written connectedly wiihout removing the pen from the paper. The characters are written from left to right and horizontally as in Western languages. Unaspirated aud aspirated pairs of symbols, e.g., p aud p k and k are the same, but are written with heavy or light stroke to correspond with the sound. Perpendicular strokes are written downward; horizontal strokes, to the right; inclined strokes, toward the right, be it upward or downward. A few strokes are...
