BRAND NEW, Anonymous - Women's Bible Study Participant Book: Discovering the Somebody You Are to God, Cindi Wood, At one time or another, every woman has felt overlooked, unimportant, and bruised by the world. But there's good news. While the opinion of others may drag us down, the God who created us has an entirely different opinion of who we are. That's because we are His creations, and everything He created is good! Women today are searching for ways to make a difference in their daily lives. Whether they are working women, stay-at-home moms, or women moving into their retirement years, they all want to be a somebody who makes a positive impact in the world around them. The Bible is filled with "anonymous" women who made a significant impact in God's story. Anonymous helps women discover their uniqueness and significance to Christ by exploring some of the "anonymous" women of the Bible. Though we do not know their names, they all were known and loved by God. Each week of this six-session study begins with an overview of the anonymous woman's story, including background material with relevance to the cultural lifestyles and surroundings of the day. The daily lessons explore her story and the ways that all women can relate to her. Contemporary "anonymous" stories and quotes from everyday women are sprinkled throughout, reinforcing the very personal relevance of this powerful study. Together women will explore and grow in their relationship with Christ as they find their significance in the heart of God.
