Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The name Skertru Now is symbolic, because after Nine Years of The Silence it is the realization of Skertru, the commonality of our belief system as written in Old Norse Religion, A Family Tradition, The Skergard Handbook. We have survived The Silence and now our words will be shared with everyone. We chose a Raven holding three keys as our logo because the first two ravens answer to Odin, the third. we believe, answers to Holde.
