GRIN Verlag Okt 2012, 2012. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2008 in the subject English Language and Literature Studies - Other, grade: 2,7, University of Siegen, course: Teaching English: Methods And Approaches, language: English, abstract: In my term paper I will try to investigate a unit of an English course book for German learners of English as their second language. For this aim I will use the 'English G2000 B1 for the fifth grade Realschule'. I decided for the 'Realschule' version as I'm studying on teaching profession for this type of school. Considering the extent of this paper I will not be able to investigate this course book completely. Instead of this I will concentrate on a small unit - topic 4 in the end of unit four, which deals with money and shopping. In G2000 every unit closes with such a short topic-unit and it has - just like the larger units - a focus on a language skill. In case of topic 4 it is speaking. In order not to write too much I will put emphasize on the methodological and theoretical background of the exercises and tasks of this unit: Which methods are used What about the role of the learner/teacher Which competences are demanded and supported Is it sufficient to teach English only with the help of a course book Therefore I will give a short glimpse on the historical background of language teaching and learning at first, so that the reader deserves basic information about methods and their theoretical background. For a better entrance to my topic I will also involve the teacher's manual. It includes information about new vocabulary, materials and methods. Furthermore it offers...
