

Oxford Guide to Effective Argument and Critical Thinking

By Colin Swatridge

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Oxford Guide to Effective Argument and Critical Thinking, Colin Swatridge, How do you approach an essay or discussion question? How do you review what claims others have made and offer counter-claims? And how do you weigh up the strengths and weaknesses of your own argument before putting together a persuasive conclusion? This accessible book takes you step by step through the art of argument, from thinking about what to write and how you might write it, to how you may strengthen your claims, and how to come to a strong conclusion. Engagingly written and featuring useful summaries at the end of each chapter, this new book offers easily transferable practical advice on assessing the arguments of others and putting forward effective arguments of your own. The book's strength lies in its clear guidance and the use of real-life arguments - both contemporary and historical - and real-life essay questions from a variety of disciplines across the humanities and social sciences. These interesting, relevant, and often entertaining, examples are used not to illustrate, but to make essential points about what can be learnt, what techniques can be borrowed, and what pitfalls to...

Reviews

This is an awesome publication which i have actually read. This is certainly for all who stante that there was not a well worth reading through. Its been designed in an extremely straightforward way and it is merely after i finished reading this ebook in which actually changed me, affect the way in my opinion.
