Filled by a joyous ride across West Texas history, intrigue, cowboys, and robots, this screenplay presents a future bright but fearful in its birth. And Moses said unto God, Who am I, that I should go unto Pharaoh, and that I should bring forth the children of Israel out of Egypt Exodus 2: 11. A brilliant, young African-American student of computer science at the University of Texas, Christia is uneasy in her life. A successful husband, and a broad brave history of struggle dating back to the Buffalo Soldiers, yet her bright future is drawn back to the cowboy roots of her family in West Texas, another desert in the history of prophets.
