Brand New Book ***** Print on Demand *****.Keep Dancing>Keep Dancing is used here as a metaphor for how a couple continued to live, laugh, work, and enjoy the new life they created for themselves after the loss of all three of their sons. This book takes you through their childhood, dating, marriage, having three sons and then losing those three sons due to an inherited Kidney Disease and complications from Aids. The Author is hoping to encourage others who lose loved ones not to give up on life but to move forward to enjoy and celebrate the loved one's life and look forward to someday being reunited with those loved ones who have passed on. You've incorporated Rick's friends as your new family, and we are privileged to be a small part of this. You are my role-model for living life to its fullest! Pam White will read this book and I will keep it somewhere in my home where I can see it and be reminded daily that whatever I am going through is manageable. Never mind The Secret that I learned from this will be my positive affirmation. Gene and Rosie inspire me to find the courage to deal with things that test me and find the hope to push through...
