Progressive Press. Paperback. Book Condition: New. Paperback. 360 pages. Dimensions: 9.8in. x 7.5in. x 0.8in. Global Predator is a damning account of the atrocities committed by invading US armed forces, from the 1846 war on Mexico to the recent wars on Iraq. In between are chapters on the Spanish and Philippines War, the World Wars, Korea, and Vietnam, plus appendices on other incursions. As he marshals the facts for a contrarian view of US history, author Stewart Halsey Ross is angered by a persistent pattern of brutality, jingoism and hypocrisy he finds behind Americas mask of Manifest Destiny - yet he notes the great reluctance of the American people to enter into five of these eight wars. Ross (d. 2010) was an expert on military affairs. His earlier book published by Progressive Press, Propaganda for War, tells how Woodrow Wilson and the British twisted the truth to get the US into the Great War. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
