Excerpt: .life. The many million yards of cotton, hemp and flax which are used in clothing are the product of the plant-world. Food and clothing for the hundreds of millions of living beings upon earth--this is the purpose of all this silent plant-life. That primitive vegetable kingdom which God created on the third day has been preserved to us, though in a different form, up to the present time, and to it we owe our warm rooms during the winter. In the lowest and oldest strata of the earth there are found immense quantities of trees which, through some physical process, have been turned into coal; often there may still be seen the trunks, limbs, leaves and fruit; yea, by means of a microscope even the smallest wooden cells can be detected. This immense mass of vegetation, among which there is not to be found...
