Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Carlton Books Ltd. Hardback. Book Condition: new. BRAND NEW, Barca, the Official Illustrated History of FC Barcelona, Guillem Balague, Barca celebrates the rise and rise of the most dominant soccer team in the modern era. It is not just that the team has won everything there is to win, it is that they do it with a style rarely seen in world soccer. They have excited fans not just in Catalonia, but right around the globe, making household names of Xavi, Messi, Iniesta, Ronaldinho, Romario, Maradona, Cruyff and many more over more than a century of footballing excellence. This book traces the club's history from its formation in 1899, the trials and tribulations of growth, the battle to emerge from the shadow - politically and sportingly - of Madrid, the blossoming of the club in the 1970s, European glory in the 1980s and 90s, and now this juggernaut of soccer that brushes aside all-comers. Features on the legends of Barcelona give deeper insight into the clubs key players and the lively, informative text is brought to life by dramatic action images.
