Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Being a ramrod ain t easy, even if everything goes right. But when the rancher can t hire men, can t get cattle to market, doesn t know who his enemy is, can t graze where he wants to, lets others use his land, is running low on funds and that is just a few of the obstacles, then any reasonable man would pass that by. Cy Castling apparently was not a reasonable man. He took on the job, ignoring what he didn t have at his disposal, and looking at what he had. He soon learned he was short on facilities and long on enemies. Still, he was persistent in making his boss successful, hoping for a big reward at the end of the trail.
