CONTEXT-AWARE SERVICE PROVISIONING IN CONVERGING NETWORKS

Shaker Verlag Nov 2010, 2010. Buch. Book Condition: Neu. 21x14.8x cm. Neuware - Mobile and fixed telecommunications network operators have been experiencing aggressive competition from Internet content providers that use the operators' infrastructure for providing subscribers with a wide choice of webbased mobile multimedia services. For keeping pace, operators designed and implemented strategies aimed at enabling the development of mobile services whose differentiation relies on their key strengths including call control, messaging, location, Presence, etc. Even though some...

Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- **Doris Beier**

Merely no words to spell out. I am quite late in start reading this one, but better than never. I am happy to explain how this is actually the very best publication we have go through within my personal daily life and can be the best ebook for at any time.
