THE NAVIGATOR S DREAM, VOLUME 2: GULFTIDE (PAPERBACK)

iUniverse, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. In volume one of Julia Turk s Navigator s Dream series, Riverlog, we met the Navigator-a psychiatrist seeking enlightenment in a dark world. Through a mysterious series of events, the Navigator fell into the world of tarot cards. Once there, our hero went head to head with seven strange birds, twelve bizarre characters, and a camel-all different aspects of the mystical deck of cards-who helped on the way to adventure and enlightenment. In volume two, the Navigator is back in the world of cards; only this time, it s time to meet royalty. The Navigator comes to know the Court Cards of the mystic deck: the Queens, Kings, Pages, and Knights. The Navigator travels from one castle to the next, but in order to get through this strange world safely, several difficult riddles must be solved that could spell life or death in the pages of fate. The Court Cards are not easy to handle. They have separate, strong personalities that make them difficult to outsmart-and difficult to put up with. But the Navigator must make it through this new adventure to move on to the final voyage into the magical deck of tarot cards. Although a work of fiction, extensive knowledge of Hermetic Cabala and tarot is woven within, to teach readers and entertain in this court intrigue of danger and death.
