

Food and Drink: The Cultural Context (Paperback)

By -

Goodfellow Publishers Limited, United Kingdom, 2013.
 Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. Food and Drink: the cultural context is the first text to provide a comprehensive and academically rigorous introduction to a range of key themes in the field of food, drink and culture. This edited text explores the complex relationships between food and drink, and individuals and society. It provides analysis of social conditions that shape these relationships and examine their consequences on areas such as health, the environment, the distinctiveness of cultures, and the cohesiveness of communities. By focusing on specific aspects of social conditioning, including social class, politics, ethics, cultural homogenisation, urban development, migration, literature, and travel, it explains the emergence of dominant patterns of food and drink production, supply and consumption. It also explores representations of food and drink in the arts, to assess what this reveals about aspects of our food and drink cultures. With international contributions (UK, France, USA) from the well known and respected academics and practitioners, it provides a combination of theoretical enquiry and practical insight to explore aspects of consumer behaviour, with specific reference to trends in taste, products that are environmentally and...
