

## I am That I am (Paperback)

Filesize: 2.03 MB

### ***Reviews***

*This ebook may be worth a go through, and superior to other. I could comprehend every thing out of this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Prof. Damien Schuster PhD)*

## I AM THAT I AM (PAPERBACK)

Trafford Publishing, Canada, 2009. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I Am That I Am describes the real life struggles of Matthew Franklin Wilson, a nuclear engineer gone astray. He is a well meaning individual, but has many indiscretions associated with the women in his life. His business life attempts to solve global energy problems associated with fossil fuel shortages and global warming issues, eventually solving them, but with horrendous consequences. Matthew, along with Catherine Hamilton, the U.S. Secretary of Nuclear Energy, views what appears a simple, future energy solution. They both visit the miniature nuclear electrical power science display, created by a high school senior and his very attractive science teacher. A key byproduct of the miniature power system display is hydrogen, the fuel needed to eliminate all future gasoline and diesel engines. The display does leave you wondering, is this young mans science display a solution to the global energy issues realistic? Perhaps yes, most likely no, but then you say, why not? Much discussion in the book is based on truth, half truth and a vivid imagination. Nuclear waste is becoming a very realistic problem. How to rid the world of it takes an interesting twist? As a result of our actions, Earth will be forever changed.
