Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.No other problem is this era is as serious as clashes of civilization. If you will look World War I and World War II, infect all most all the wars in the history of mankind then you will find main route cause of that was only difference between civilizations. A person who follows different religion, caste, tradition or belief we are considering them enemy. How this thinking Develop? What are the reasons behind it? Why clashes of civilization? What will be the after impact? We will go through it and definitely we will find out possible solutions to this problem as well. To live in a safer and happy environment is every individual person s birth right. I am sure after going through this book Insha Allah we will make sure that it will remain same. One strange point to note is that at the time of birth we all are same i.e. we spend same time to grow our needs are same i.e. only some drops of mothers milk. But soon after we develop a different identity. To be different is good but problems lies in the fact that we want all should be look like as, follow like as and so on. I just want to say that almighty Allah, God, Bhagwan, Jesus or whatsoever name we will give to him he made us differently. No 2 persons fingerprints are same and retina are same then why we should expecting that all will be like us and more ever if anybody is not like us then he dont have the right to live in this world. We are trying to dominate other religion, caste, race etc....
