By D H Mahan

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from An Elementary Course of Civil Engineering Could he have prevailed upon himself, in obedience to what appears to be the pervading taste of the moment, to have pursued a different course, he should have held himself not only as recreant to that cause, but as having contributed to weaken the powers of the human mind, by relieving it of the necessity for patient investigation and close reasoning, which alone can give it that vigour which achieves excellence, and commands success in every department of life. United States Military Academy, June 1, 1837. Note. As the author frequently receives letters from persons, about commencing the study of civil engineering, asking his counsel, both as to the best course to be pursued, and the best works to be studied, he would, in this place, respectfully offer the following remarks: A thorough acquaintance with the mathematics, the author considers as indispensable to a successful pursuit of this profession; without this essential ground-work, he confesses, that he is entirely at a loss to conceive how any sound acquirements, other than...
